

**REMARKS**

In the Notice of Non-Compliant Amendment mailed October 20, 2006, the Examiner indicated that "Claim 72 is indicated as 'original', however, has been amended." Applicants have corrected the non-compliant portion of the Amendment, filed April 12, 2006, by submitting a corrected version of the "Amendments to the Claims" section, which correctly identifies claim 72 as "Currently Amended." Because this listing of claims replaces the listing of claims filed with the Amendment filed April 12, 2006, Applicants have maintained the remaining identifiers in this listing, just as if the listing were included in the prior Amendment. Accordingly, the Amendment is now in compliance with 37 C.F.R. § 1.121 and Applicants await an Action on the merits.

Reconsideration of this application and reexamination of the pending claims in view of the amendments and remarks provided in the Amendment filed April 12, 2006, and in view of the listing of claims included herein, are respectfully requested.

Although Applicants believe that no fee is required for this response, please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
